

## **Corona measures STC Training & Consultancy: Training and education under safe conditions**

*Especially nowadays it is important for companies and their employees to be well prepared for their daily work. Our training and courses therefore continue. Naturally, we observe the necessary safety and hygiene rules so that our students and employees are and remain safe.*

- We are open to students and employees.
- The RIVM regulations govern our daily actions.
- We ask our students and employees to adhere to these (hygiene) rules:
  - Maintain a 1,5 meters distance
  - Do not shake hands
  - Wash and disinfect hands regularly
  - Sneeze and cough in the elbow
  - Use latex gloves where and when necessary
- Students who have a cough, who sneeze or run a fever cannot participate in the course.
- Employees who have a cough, who sneeze or run a fever stay at home.
- Our classrooms, canteens and offices have been adapted to the 1,5 meters rule.
- Colleagues work at home as much as possible.
- Additional hygiene rules have been drawn up for (practical) exams. These rules will be shared with the students in advance.
- We work according to pre-determined lunch, dinner and coffee moment.
- We have taken additional hygiene measures.
- We adjust the group size when and where necessary.
- Visitors and students must follow the instructions of STC employees at all times.
- During CPR exercises, we limit ourselves to demonstrating mouth-to-mouth breathing techniques. Students do not practice on a manikin.
